4 Easy Steps to Help You Start Winning Now!

1. Sign Up For a Free Sweepstakes Email Account

You don't want your personal email Inbox to be filled up with extra emails so it is best to sign up for a separate email address just for entering sweepstakes. When entering **legitimate sweepstakes you won't get junk mail** but you may get newsletters from the companies sponsoring the sweepstakes, confirmation emails and hopefully, winning email notifications.

You don't want your sweepstakes emails to get lost among your personal emails so creating a separate account will keep them better organized too.

Will I Get Junk Email?

Junk Email is **unsolicited email that you did not request**. When you enter a sweepstakes you are giving that company or blogger **permission to send you email** or add you to their email list. If you do not want to receive emails from these companies you should not enter their sweepstakes. You can usually unsubscribe from their email list once the sweepstakes is over.

There are a lot of free email providers you can use to sign up for a sweepstakes email. Here are a few you might choose from. I like Gmail because it has a great Spam filter and creating a Gmail email account also gives you a free Google.com account, which is useful for lots of other things.

- Gmail: gmail.com
- Yahoo: yahoo.com
- Outlook: outlook.com
- Zoho: zoho.com/mail
- Juno: juno.com/freemail
- AIM/AOL: aol.com

2. Sign Up For a Free Google Voice Phone Number

If you don't want to give out your real phone number to enter sweepstakes, Google has a great solution. It's called **Google Voice and it's Free!** By signing up for a free Google Voice account at google.com/voice you will receive a real phone number that you can use exclusively for entering sweepstakes.

Note: Google Voice is only available in the U.S. and you will be required to verify an existing U.S. phone number to get a Google Voice number.

After you sign up for a Google Voice number you can have it forwarded to any other phone number. I have mine forwarded to my cell phone. When someone calls your Google Voice number you can tell the difference between your regular phone number and the Google voice number because a recording announces the caller when you answer the phone. You have the choice to take the call or send it to the Google answering service. You can check your voice mail online or through the Google app that is available through your phone's app store. You also get an email if the person leaves a voice message. It's great and did, I mention, yes, **it's FREE!**

3. Find Legitimate Sweepstakes to Enter

There are literally thousands of legitimate sweepstakes going on at any one time and most of us only have a limited amount of time each day to enter sweepstakes. That is why I created **Sweeties Sweeps** – to help you find legitimate sweepstakes to enter so you don't have to search for them yourself!

Visit sweetiessweeps.com daily and you will see new sweepstakes at the bottom of the homepage.

Make sure you also enter [QUICK ENDING Sweeps](#) that end in 1 to 2 weeks.

Sign up for [daily sweepstakes emails](#) and you can check your Inbox daily without visiting the site to see what is new.

Do you want to win even more CASH and PRIZES?

If you want to win even more prizes, [join my Secret site](#) and you will get 500 to 1000 member-only sweepstakes each month that the general public never sees.

Sweeties Secret Sweeps (sweetiessecretsweeps.com) is our **private, member-only** sweepstakes site. It is a different site from Sweeties Sweeps and we share "secret" sweepstakes that a lot of people don't know about.

We also send out **daily text and Twitter alerts** for our members

All Sweeping 101 content is Copyright of Sweeties Sweeps and may not be copied or shared. Sweeties Sweeps, Sweeties Picks, Sweeties Sweeping 101, and "win what you can't afford" are all Trademarks of SweetiesSweeps.com and Sweeties Brand, Inc. Email: sweetiessweeps@gmail.com

With Sweeties Secret Sweeps you will get:

Sweepstakes from SweetiesSweeps.com: every sweepstakes that is listed on our public site, Sweeties Sweeps, is also listed on Sweeties Secret Sweeps days before the public see them, giving members extra time to enter them.

BONUS Member-Only "Secret" Sweepstakes: we share bonus national sweepstakes that we never show to the general public.

Text Alerts and Twitter Alerts: we send out text alerts when hot sweepstakes and secret codes are available. Members can text the phrase **follow ssshotlist** to shortcode **40404** to sign up.

You can also get the same alerts by following [@ssshotlist](#) on Twitter and turn on mobile notifications.

Note: Standard data rates apply. Text off ssshotlist to 40404 to stop receiving message.

Local Sweepstakes for your state: the Secret site has sweepstakes listed for every state, all organized by state. Entering sweepstakes for your state gives you a greater chance for winning because fewer people are allowed to enter. Many of my biggest prizes have come from entering sweepstakes for Connecticut, the state where I live. Local sweepstakes are harder to find and often end quickly.

A Sweepstakes Favorites List: Save sweepstakes to your Secret site Favorites List to keep them organized. You can also enter them from this list too. Your list is automatically sorted by the date the sweepstakes ends and it works on your smartphone and tablet too!

A Thriving and Supportive Sweepstakes Community: Members love helping each other and are happy when you win. You can share your wins, chat, and ask for votes if you are in a contest. You can also swap, sell or trade prizes too!

Email Updates: you will get daily email updates when new sweepstakes are added.

We give you sweepstakes to enter and win:

- CASH
- CARS
- TRIPS
- COMPUTERS
- and lots more

What Members say about Sweeties Secret Sweeps

Rhonda said: I'm a Confirmed Winner of a trip to NYC from the Sweeties SECRET site; best money ever spent EVERY YEAR! Thank you Sweeties. This will be the 4th trip in 2 years JUST FROM THAT SITE ALONE!!!

Lesley Said: I received a call that I won 2 tickets to our local Auto Show. They sent me paperwork and I noticed in the paperwork that I also had a chance to win a car if the key they gave me unlocked it. There were 18 of us total who had a chance to win. I am thrilled to say that my key opened the car and I WON a 2016 Winterberry Red Metallic Encore! I won it Sunday and picked it up on Monday. Thank you Sweetie and the Secret Site where I found the contest listed.

Laura Said: I can't believe I have another big win to report, but here it is. Earlier this month I won \$1,000 through a sweeps on your Secret Sweeps site, and I was notified a week later that I won a Kawasaki KLX140 dirt bike! The value is \$3,000! I about fell over. My husband is overjoyed.

Sam's Winning Story: I got a call yesterday that I won a Ford Escape valued at \$30k!!! I am still not confident I'm not having the longest heart attack of all time. Couldn't sleep all night either! I've never had a car before, but we're thinking if we sell it we can be completely out of debt and own our house outright, what a life changer! I hadn't won anything for about 2 months and was getting pretty down about it, but my boyfriend kept telling me something big was coming, he was so right!

Leigh: SUCCESS! I just received a phone call that I won the Sirius XM sweeps for a trip to Boston to see Megadeth in concert at the House of Blues! Also won the H&R Block \$1000 earlier this month and a trip to Ireland a little over a year ago. I just wanted to say thank you for such a great site! I have seen and tried to use other sweeps sites but they just aren't well organized for me. Sweeties Sweeps is the best :)

4. Use a Form Filler To Make Entering Faster

Smartphone, tablet and browser form fillers that will help you fill out sweepstakes entry forms faster so you can enter more sweepstakes everyday. These nifty programs are what I use everyday to enter sweepstakes. They help you enter more sweepstakes than if you typed your information in the entry form manually.

You **will not get disqualified** by using a form filler because these programs are not considered scripts, bots, macros, or automated submission services. The form filler just fills out the form but you still have to click the Submit button. An automated program does all of the work for you so there is no human involved.
